

Oil Free Screw Blower

Oil Free Screw Blower is specially designed for sewage treatment industry. It can provide 100% oil free air with a discharge pressure range from 0.4bar to 1.5bar. Comparing to Roots blower, Oil Free Screw Blower can save energy up to 35%.

Features:

- High Efficiency Aired
- 100% Oil Free Air
- Low Running Noise
- VSD Start and Control, machine runs more smooth
- No need for foundation, just Plug and Run
- Remote Control and Monitor (Optional)

Oil Free Screw Blower Specifications

Model	PM VSD Model	Power Range	FAD Range	Pressure Range
		(KW)	(m ³ /min)	(bar)
DG1	DGPM1	7.5 - 22	4 - 6	0.4 - 1.5
DG2	DGPM2	15 - 75	13 - 30	0.4 - 1.5
DG3	DGPM3	30 - 132	30 - 70	0.4 - 1.5
DG4	DGPM4	75 - 185	70 - 100	0.4 - 1.5
