

Oil Free Scroll Air Compressor

Whether you are in food processing industry, drug production industry, medical equipment industry, precision electronics industry and other industries, 100% oil-free compressed air is needed. Oil-free scroll air compressor not only operate in low noise, but also provide pure oil free compressed air.

Features:

- Low noise level
- Vibration free
- 100% oil free air
- High performance airend
- Easy maintenance
- Space saving installation

Technical parameters of Oil Free Scroll Air Compressor

Model	Power	Horsepower	Capacity	Pressure	Exhaust temperature
	(KW)	(Hp)	(m³/min)		
DSS-3.7A	3.7	5	0.4	8	Ambient temmperature +15°C
DSS-7.5A	7.5	10	0.8	8	
DSS-11A	11	15	1.2	8	
DSS-15A	15	20	1.6	8	
DSS-22A	22	30	2.4	8	
DSS-30A	30	40	3.2	8
